Dear Mr. Diecidue,

On behalf of Volunteers of America of Greater New Orleans and the thousands of people we serve, I would like to personally thank you for attending our "Reach for the Stars" Breakfast and for extending your 2009 pledge.

Because of contributions like yours, we will be able to touch our neighbors' lives in so many ways. We will be able to reach more individuals in need of mental health services - many like Jamie - who have the ability and drive to turn their lives around, but need important support and direction. We know that we will be able to help more of our elderly neighbors like Ms. Monette to age with respect and dignity. We'll be able to continue providing quality mentoring services to children with incarcerated parents so that they can have the support and encouragement necessary to realize their true potential.

If you would like more information about our mission, the services that we provide or other ways you can be involved, please visit our website at www.voagno.org. Please contact us if you have any questions at all about your pledge or payment.

Thank you for joining us as we offer a hand up to our neighbors in need. From everyone here at Volunteers of America, thank you once again, and may God bless you and your family.

Sincerely,

James M. LeBlanc
